EXPERIENCE

HireLucy (Maid Aggregating Platform) — Full Stack Web Developer

February 2024 – Present

- Actively developing both **front-end and back-end of the platform using React**, Node.js, MongoDB, and Styled Components
- Focusing on creating a seamless user experience for service aggregation

Beesoft Collective (Open Source UI Library) — Open Source Contributor

June 2024 – Present

- Gained hands-on experience implementing Storybook for building reusable components with **TypeScript and React**
- Enhanced understanding of component-driven development

Valibot (Open Source Schema Validator Library) — Open Source Contributor

September 2023

- Improved documentation by correcting typos, enhancing accessibility for new users and contributors

PROJECTS

Abacus Store Manager

[Link](#)

June 2024

- Developed a comprehensive PWA e-commerce dashboard with GraphQL and REST API integration. The platform allows for multi-store management, product creation, coupon and invoice handling, back-in-stock notifications, and advanced analytics.
- Implemented multi-store management, product creation, coupon and invoice handling, back-in-stock notifications, and advanced analytics
- Technologies: Next.js, TypeScript, Supabase, Tailwind CSS, Vercel

Nexus (Blogging Platform)

[Link](#)

July 2023

- Built a full-featured Medium-like platform with user-generated content, social features, and personalized feeds
- Implemented multi-store management, product creation, coupon and invoice handling, back-in-stock notifications, and advanced analytics
- Technologies: React.js, TypeScript, Supabase, Tailwind CSS, Vercel

Andre Armani (E-commerce App)

[Link](#)

March 2024

- Created a specialized e-commerce platform for a visual artist, enabling the sale of framed canvases, high-quality paper prints, and custom-designed apparel. The platform is optimized for both performance and visual appeal.
- Technologies: Next.js, TypeScript, Sanity, Tailwind CSS, Vercel

HACKATHON

Web5 Hackathon Winner

One of a team of four people who won the hackathon (Sponsored by TBD and organised by DevCareer)

December 2023

EDUCATION

HND in Advanced Accounting

Kwara State Polytechnic, Kwara State, NIG.

January 2020 - August 2022
